Dear

Risk Assessment

Thank you for your request for risk assessments for our site at Durlston Country Park. I enclose a general assessment sheet detailing the most likely risks to be expected on a visit here.

The Rangers are available to discuss the site in more detail with the teachers/leaders. Some of the risks at Durlston vary with weather and ground conditions, but alternative routes and activities can often be suggested by the Rangers. The other factor that should not be overlooked is the group themselves as their behaviour can alter any risk assessment quite considerably.

Despite the provision of this general risk assessment sheet we would always recommend a pre-visit by the leaders themselves.

We hold public liability insurance, as part of Dorset County Council.

Please do not hesitate to contact me if you require any further information.

Yours sincerely

Katie Black
Countryside Ranger
